Description

Horizon Roll-Off Equipment Deck 14K (Roll-Off Deck Only!)

To purchase the best dump or equipment trailer from a leader in the industry you're going to have to spend serious money. However, [Horizon Trailers](#) although a newer manufacturer, set out to build the highest quality trailers right from the start so you can save money. Versatility is what makes this roll-off equipment deck stand out. You can go to the job site and drop off an empty roll-off bin and then get your equipment with this flate deck and you're ready to go to work.

Quality and durability throughout

No worries about durability, this Horizon Roll-Off Equipment Deck BP 14K is built to withstand the weight. Quality continues with large frame rails and supports. As a result, this roll-off equipment deck is made to provide the ultimate in versatility. And finally, they didn't forget about appearance, they powder coat their trailers and roll-offs providing the ultimate in durability and looks. In conclusion, come see for yourself, you will be extremely impressed!
