### Description

#### Iron Panther 7x14 10K Dump 2ft

[Quality Trailers with No Compromise - Iron Panther Trailers](#) owner has been designing and building trailers for over 20 years. His knowledge and experience provide engineering quality and durability for his products. As a result, he stands behind his products which is the reason we carry them! This Iron Panther 7x14 14K Dump2ft sides has tandem 7000Lb axles with brakes on all 4 wheels. Parking when un-hooked is safe with the 5K pound drop leg jack and a mounted spare provides safety for the road. Retractable tarp and stake pockets around the outer edge provide safety and the ability to add height to the sides. Further features are the hydraulic pump, deep cycle battery and trickle charger stored in a lockable toolbox. Plug it in during the night and you will be ready to work this dump trailer all day the following day.

This size is perfect for the user who has a small tow vehicle or someone who handles smaller jobs. Consequently, if you're looking for a dump trailer that is durable in strength and can handle years of work, this is the one. For the price you can't go wrong with this dump trailer!

*Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.*
